Dear Sir/Madam:

This is the summary of the telephonic interview of May 25, 2006 between the Examiner and Michael Zarrabian (Reg. No. 39,886). Applicant wishes to thank the Examiner for courtesies shown during that telephone interview, in which the Examiner stated that Claim 16 would be allowable if rewritten in independent form, including limitations of base claims, and any intervening claims. The Examiner suggested an Examiner's Amendment to that effect, and it was discussed that Applicant will consider the Examiner's suggestion and respond to the Examiner by May 30, 2006.

On May 31, 2006, the Examiner sent an e-mail to Michael Zarrabian suggesting that the proposed amendments be e-mailed to the Examiner for review and Examiner's Amendment to expedite prosecution.
